Things to do

Local pastimes, prizes and the occasional public embarrassment.

Coachman Barnaby — ride

Coachman Barnaby runs rides for 8 coins between Bell Tower Square, Copper Market, Archive Steps, Garden Gate. *"Carriage across the capital, eight coins. The horses know the way. I mostly just sit up here looking important."*

The Erased Names

On the archive plinth, four names scratched out, one letter left each: 'The first Warden kept the gate, the second the flame, the third the seal, the fourth kept silent.' Solve it for 320 coins. Shouting the answer at it does not count.

Shops, banks & landmarks

Where to spend coins, store them, and pretend you meant to buy that.

Madam Odette Larkspur — sells health potion, mana potion, arrows, mind rune, bread, iron pickaxe, iron axe, empty vial and more.

Treasurer Aldric Vane — bank counter. *“The vault is linked across the realm.”*

Workstations here: bank, anvil, furnace, crafting table, cooking range.

Hidden discoveries: 1 secret spot waits for sharp eyes. We won't spoil it; we're not monsters.

Local tips

- Do the ride early — prizes don't wait for latecomers.
- Bank your valuables before wandering off; pockets are optimistic, banks are realistic.
- The riddle answer is usually hiding in the town itself. Read the walls.
- Larkspur buys what you find — sell the clutter, keep the shiny.
- Lanterns light the lanes at night. Monsters still use the lanes too.
